## **2023 CPO Certification Training**

Fremont/Silicon Valley: April 19th & 20th, 2023

Los Angeles/Montebello: May 3rd & 4th, 2023

Sacramento/Elk Grove: May 24th & 25th, 2023

### **How to Earn Your CPO<sup>SM</sup> Certification**

CPO<sup>SM</sup> Certification training  
is offered for busy  
professionals:

A two-day course in a  
classroom setting with  
breakfast and lunch provided.  
Class sizes are limited for  
enhanced learning and  
individual attention.

### **Keep Your Pools Safer & Open**

We believe we can make a difference by encouraging more aquatic activity, making pools safer, and keeping them open. We do this by offering products and programs that are technically sound, convenient and beautifully designed. Our products are designed to deliver excellence in education and cutting-edge research.

### **The CPO<sup>SM</sup> Certification course will help you understand how to:**

- Operate a pool more easily and efficiently —saving time and money.
- Reduce chemical, electrical, biological, and physical hazards —protecting users and employees.
- Comply to key safety regulations —reducing liability and risk of closure.
